Newsletter for Tennessee Risk Management Trust Members

Farley elected chairman of the Trust

Farley

White County Finance Director Mark Farley, a member of the White County board of Education since 1996, was elected chairman of the Tennessee Risk Management Trust Board of Trustees at the board's June 26 meeting.

His term began July 1 and ends June 30, 2007.

Farley has served on the Tennessee School Boards Association Board of Directors as well as the Tennessee Legislative Network Board of Directors.

He is a Level IV school board member, and his school board has been recognized as a Tennessee Distinguished School Board.

He is also active in the Sparta/White County Joint Economic and Community Development Board, the Upper Cumberland Development District Technical Advisory Board, the Upper Cumberland Human Resource Agency Advisory Board and the White County Rotary Club.

TNRMT seeks new administrator

Energetic administrator sought for the Tennessee Risk Management Trust, an intergovernmental agency providing claims management and loss control services to schools, county governments and public utilities in Tennessee.

The administrator will be the principal operating officer of the Trust with duties that include:

- Planning and organizing meetings of the Trust
- Advising the Trust on policy matters
- Monitoring contractual relationships of the Trust
- Administering the financial affairs of the Trust

The successful candidate must have excellent communications skills, a minimum of a B.S. degree, and experience with the public sector, preferably with educational and/or governmental entities in Tennessee. Salary commensurate with experience.

Please submit letter of interest and resume by August 15 to:
