

TNRMT Safety Grant Program

TNRMT recognizes that safety awareness and training are vital components of an effective safety program. Our loss control staff is dedicated to working with you in any way possible to make your workplaces and workdays safer and more productive.

To continue enhancing our TNRMT Members' safety efforts, we are proud to once again be offering our Safety Grant Program.

Your request may be for any amount up to \$12,000.

Requirements to qualify for a safety grant:

1. Complete a Safety Grant Application
2. Member must have a designated Safety Coordinator
3. Member of TNRMT in good standing for a minimum of 4 consecutive years

Every application submitted to TNRMT will be reviewed and remain active for one fiscal year. Each application may include only one project. **Applicants may submit multiple applications;** however, each application should be for a separate project. **A maximum of three different items may be included on a single grant application;** Applicants may request multiple quantities of each of the three items.

Applications will be accepted: July 1- September 30
Applications will be reviewed: 4th Quarter
You will be notified of approval: November

Determination of Approval

Following are the decision-making criteria to receive a grant or scholarship for your entity. Grants may be submitted for the purchase of safety/ loss prevention related items, physical improvements to your building/ grounds, or safety training of employees. Other safety ideas will be considered as well.

1. Grant requests must have a *direct impact* on employee safety.
2. Grant requests should have a potential to positively affect Workers Compensation frequency.
3. Sustainable – Grant requested items should be able to be utilized by employees now and in the future. Limited Use Items such as safety glasses, ear plugs, cooling bands, dust masks will not be considered.
4. Radios, phones, light bulb upgrades, or vape detectors will not be considered.

Applications may be submitted to:
