First Fill Pharmacy Program – TN Risk Management

For your benefit, these instructions will allow setup of an injured worker in Carlisle Medical's Pharmacy Program. This Workers' Compensation Program allows prescriptions to be filled that are authorized by the injured workers' physician for treatment of their specific on-the-job-injury.

For the Injured Worker or TN Risk Management Representative:

Call Carlisle Medical (1.800.553.1783, Option 2) to activate the Prescription Card.

Please keep and provide the Card below to the pharmacy, allowing you to receive the medications authorized for you. This is a temporary card for your initial medication fills.

For the Pharmacy:

The information below will be needed at the pharmacy to process the injured worker's medications. The information can be obtained on the Prescription Card below, from the Card Holder or by calling Carlisle Medical at 1.800.553.1783, Option 2.

1	Carlisle Medical BIN Number: 019132
2	PCN: CAR
3	Group Number: F4851
4	Member ID: On Card or call Carlisle Medical to obtain
5	Injured Worker's first and last name: On Card or obtained from Card Holder
6	Injured Worker's date of birth: On Card or obtained from Card Holder
7	Injured Worker's date of injury: On Card or obtained from Card Holder

If you experience any problems filling the medications needed, please contact Carlisle Medical at 1.800.553.1783, Option 2 to speak directly with a Carlisle Medical Pharmacy Representative.
